## **Vyopta Announces New Office Locations**

*Vyopta relocates corporate headquarters in Austin, Texas and opens office in Minneapolis, Minnesota*

**AUSTIN, Texas – December 6, 2010** – Vyopta Incorporated, a developer of software applications that use TelePresence video technology to transform business models, announced the relocation of their corporate headquarters to the Quarry Lake Business Center. Vyopta has moved into new space at 4515 Seton Center Parkway. In addition, Vyopta has opened a second office in Minneapolis, Minnesota to meet growing customer demand in the Midwest region of the United States.

“We are a growing company and our expansion helps us better serve our customers,” says Alfredo Ramirez, President and CEO of Vyopta. “We are seeing an increased demand for our products, which we believe is a reflection of our dedication to developing a high quality product and our drive to be the best. Also, our new location will include an executive briefing facility to present and demonstrate how Vyopta applications and TelePresence video can transform the way organizations serve their customers.”

### **About Vyopta Incorporated**

Vyopta develops software applications that integrate video communications into mission critical processes. Vyopta’s solutions help clients transform current business models for more efficient and effective performance in areas such as high-touch customer sales, services and health care.
