Vyopta Incorporated Named to Inc. 500/5000 List

Video communications cloud software company honored as one of the fastest growing private companies in America

Austin, Texas - August 23, 2011 -- *Inc.* magazine today honored Vyopta Incorporated in its fifth annual Inc. 500|5000 list, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs.

This award marks Vyopta's first time on the list, joining Spirit Airlines, television maker Vizio, Honest Tea, Dunkin Donuts and Metrokane, makers of the Rabbit corkscrew, among other prominent brands featured this year.

"Given the tough economic climate, our growth is a testament to the dedication and innovation of our team," said Alfredo Ramirez, President and CEO of Vyopta. "We are proud of our achievement and efforts in developing technology to help change the way organizations use video communications."

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/5000.
